Donations to ARCA

The assistance of concerned individuals makes it possible for ARCA to maintain existing treatment programs. That support also helps us to develop new programs and new innovative ways to treat men and women who are unable to break away from their addictions.

Contributions

ARCA is a 501 C3 nonprofit substance abuse center dedicated to helping people overcome their Substance Use Disorders. We recognize that these disorders damage the lives of individuals, their families and their communities. This damage includes crime, violence, poverty, decreased productivity, and impairment of spiritual and physical health.

Your tax deductible contribution can be made preferably by check. Donations may be sent directly to ARCA's address on the back of this pamphlet. Friends of ARCA Walkway

The ARCA Board of Directors is pleased to announce the 2012 Friends of ARCA Walkway fundraising project. ARCA has been a source of hope for so many in recovery—now you can remember that with this innovative program. This can be a special way to commemorate your own journey of sobriety—or that of someone you care about: a loved one, friend, doctor or counselor or sponsor - perhaps even someone lost to the illness of addiction.
